

Remarks:

The Examiner objected to Figure 1 of the drawings for failing to comply with MPEP § 608.02(g). In response, Applicant has amended Figure 1 by adding the legend “PRIOR ART” to the figure, as indicated on the corrected drawing attached hereto. A replacement sheet including amended Figure 1 is provided. Accordingly, it is respectfully submitted that the objection to the drawings should be withdrawn.

§102 & §103 Rejection(s):

Claims 1-6, 28-30 and 38 are rejected under 35 U.S.C. §102 and §103(a) as being unpatentable over U.S. Patent No. 6,952,583, issued to Park in view of U.S. Patent No. 5,768,267, issued to Raith et al.

Claims 1-6 and 28-30 are cancelled. Therefore, the 102 and 103 grounds of rejection are now moot.

Allowable Subject Matter:

The applicant wishes to thank the Examiner for finding claims 7-27 allowable and claims 31-37 in condition for allowance if rewritten to include the limitations of any base claim and the intervening claims. Claims 28 and 32 are amended and incorporate the limitations of claims 31-37 and any base claims and intervening claims.

Accordingly, claims 7-28 and 32-38 should be in condition for allowance.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein; and no amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have expressly argued herein that such amendment was made to distinguish over a particular reference or combination of references.

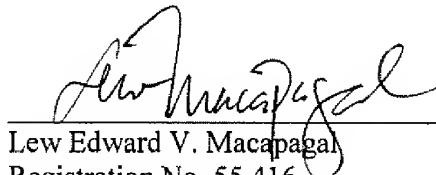

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221 to discuss the steps necessary for placing the application in condition for allowance.

Respectfully submitted,

LEE, HONG, DEGERMAN, KANG & SCHMADEKA
